WELCOME TO ICCTS 2019

2019 8th International Conference on Computer Technology and Science will be held in University of Hong Kong, December 7-9, 2019, which is organized by Journal of Computers. It aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government who are working in the field of computer technology and science to discourse on research and development, professional practice in related fields.

PUBLICATION

Submissions will be reviewed by the both the conference technical committees and JCP editorial board, and accepted papers will be published in Journal of Computers as a special issue, which will be indexed by DBLP, EI(INSPEC, IET), Google Scholar, etc.

While for those who're NOT looking to publish their papers, it's acceptable to submit your abstracts to the conference just for oral presentation, which will be sent to at least two technical committees for a brief review, and it will take about 10 working days.
